

# RESAR

## Unresectability

**William Tseng, MD**

**Associate Professor of Surgery**

**University of Southern California (USC), Keck School of Medicine  
Los Angeles, CA**

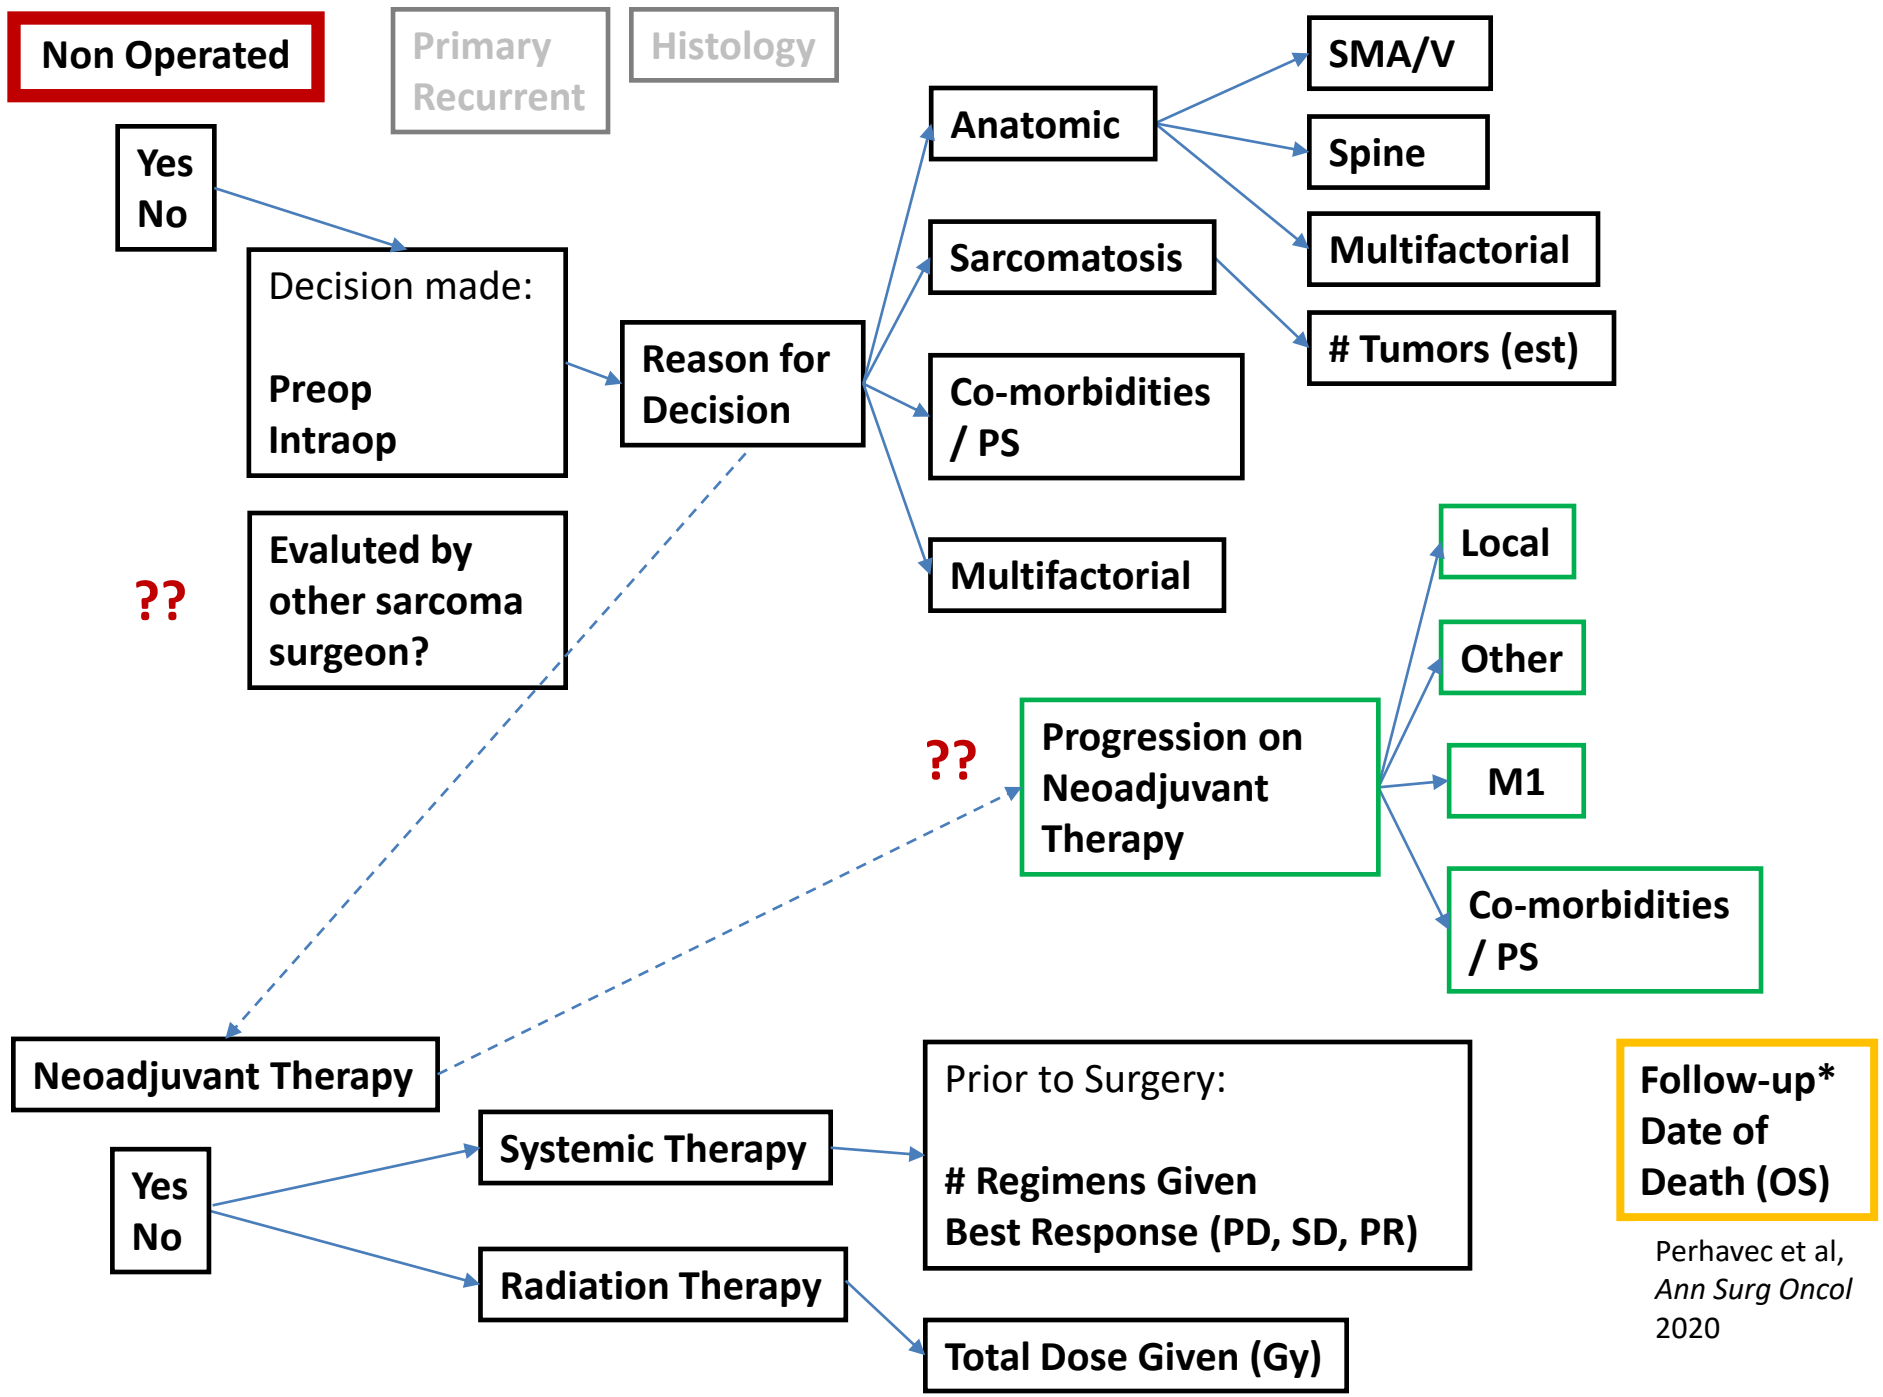

3/17/21

## To clarify...

- Initial **curative** intent (not palliative)
- Already entering resected cases (denominator)

**Non Operated**

Primary  
Recurrent

Histology

Yes  
No

Decision made:

**Preop  
Intraop**

**Reason for  
Decision**

**Anatomic**

**Sarcomatosis**

**Co-morbidities  
/ PS**

**Multifactorial**

# Condensed

- % total cases
- Major reasons
- Utilization of  
Neoadjuvant Therapy
- Outcome

**Local**

**Other**

**M1**

**Co-morbidities  
/ PS**

**Progression on  
Neoadjuvant  
Therapy**

**Neoadjuvant Therapy**

Yes  
No

**Systemic Therapy**

**Radiation Therapy**
