# 2021-2022 Webinar series

- Median number of unique viewers per webinar: 126
- Participations:
  - 33% Gen Surg/Surg Onc attendings
  - 21% Surg Onc fellows
  - 16% Gen Surg residents
- Attendees from 64 countries (including developing countries)

# 2021-2022 Webinar series

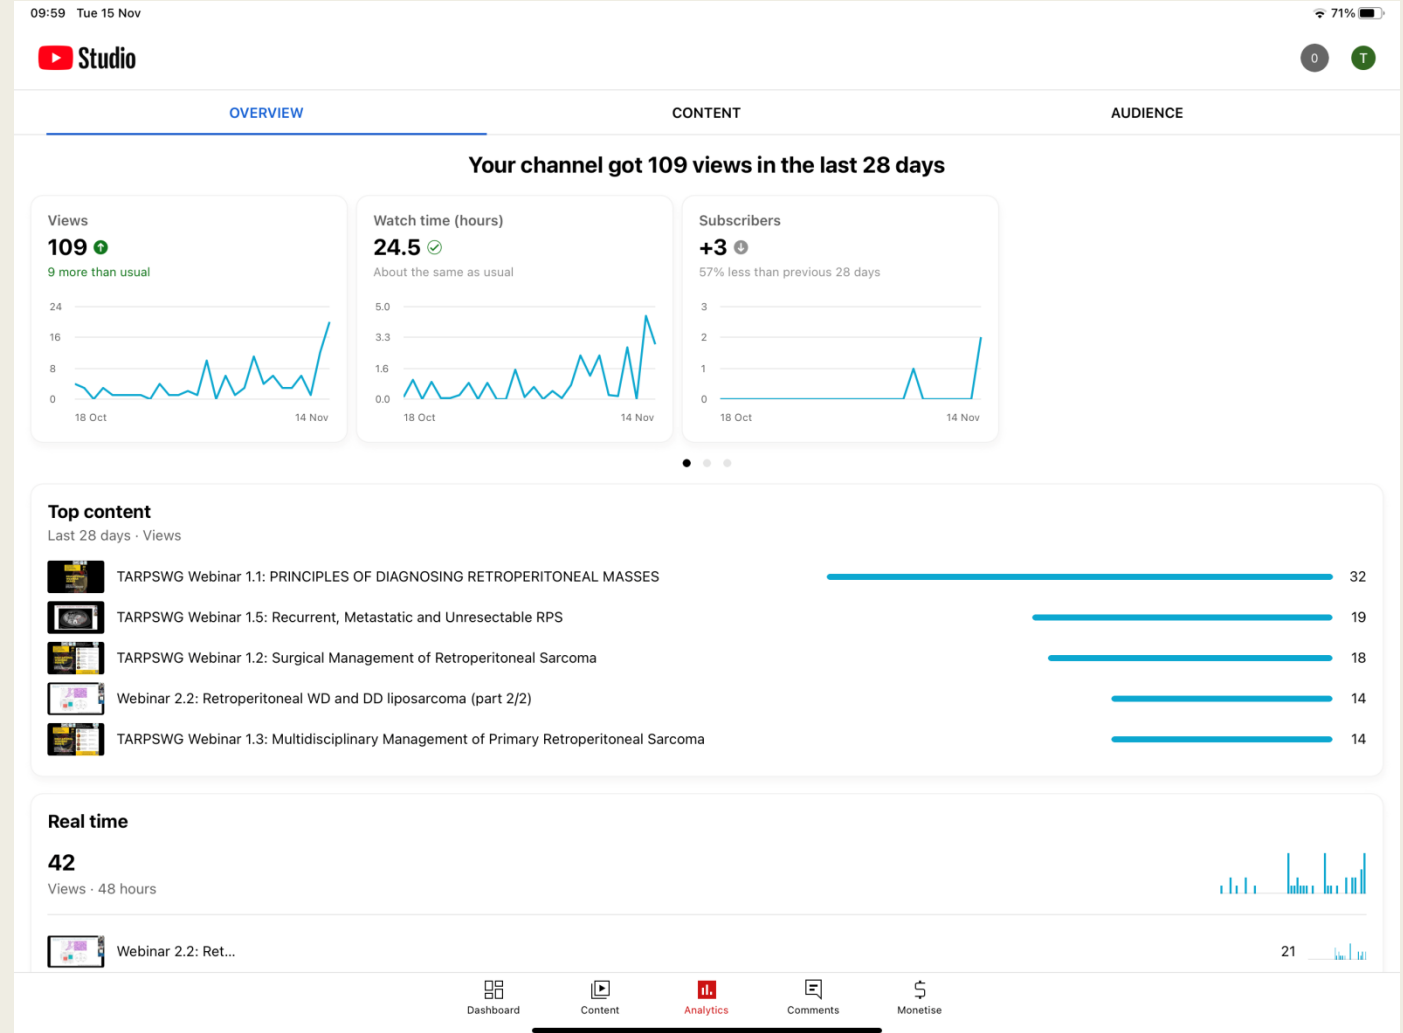

- Youtube views:
  - *Total: 1403 (range: 6-464)*

The screenshot displays the YouTube Studio interface on a mobile device. At the top, the status bar shows the time as 09:59 on Tuesday, November 15, with a 71% battery level. The YouTube Studio logo is in the top left, and search, notifications, and profile icons are in the top right. Below the header, there are tabs for VIDEOS, SHORTS, LIVE, and PLAYLISTS. The VIDEOS tab is selected, and below it are filters for Sort by, Visibility, Views, and Restrictions. A list of seven webinars is shown, each with a thumbnail, title, view count, and upload time. The bottom navigation bar includes icons for Dashboard, Content (which is highlighted), Analytics, Comments, and Monetise.

Thumbnail	Title	Views	Time Ago
	Webinar 2.2: Retroperitoneal WD and DD liposarcoma (part 2/2)	22 views	1 day ago
	TARPSWG Webinar 2.1: Retroperitoneal WD and DD Liposarcoma (part 1/2)	6 views	2 days ago
	TARPSWG Webinar 1.5: Recurrent, Metastatic and Unresectable RPS	95 views	7 months ago
	TARPSWG Webinar 1.4 - Retroperitoneal Sarcoma: the Proper Surgery in the Proper Center.	134 views	9 months ago
	TARPSWG Webinar 1.3: Multidisciplinary Management of Primary Retroperitoneal Sarcoma	308 views	11 months ago
	TARPSWG Webinar 1.2: Surgical Management of Retroperitoneal Sarcoma	374 views	1 year ago
	TARPSWG Webinar 1.1: PRINCIPLES OF DIAGNOSING RETROPERITONEAL MASSES	464 views	1 year ago

- How to easy the access to the webinars?

The screenshot shows the website [tarpswg.org/webinars/](http://tarpswg.org/webinars/) in a web browser. The page has a dark blue header with navigation links: HOME, EVENTS, RESAR STUDY, OPEN STUDIES / PROJECTS, DOCUMENTS, TARPSWG GOVERNANCE, and EDUCATION. The main content area is titled "EDUCATIONAL WEBINARS (free! live! interactive!)" and features the "TARPSWG WEBINAR SERIES 2022-2023". The featured webinar is "Webinar 2.1 – Sep 29, 2022: RETROPERITONEAL WD AND DD LIPOSARCOMA". Below this, there is a promotional graphic for "WEBINAR #1: RETROPERITONEAL WD AND DD LIPOSARCOMA (PART 1/2)" with details about the speakers, moderators, and registration. To the right, there is a "RECENT POSTS" section with links to the "Semiannual Meeting Nov 16 – Join online!", a "Subscribe for TARPSWG Semiannual Meeting – Vancouver, Nov 16th", and articles on "Histology-tailored multidisciplinary management of primary retroperitoneal sarcomas" and "Critical impact of radiotherapy protocol compliance and quality in the treatment of retroperitoneal sarcomas: Results from the EORTC 62092- 22092 STRASS trial". At the bottom right, there is a "FOLLOW US ON TWITTER" section showing a tweet from Alessandro Gronchi (@alegronchi) retweeted by TARPSWG.

# Framework for endorsement requests

- Number of applications: zero.

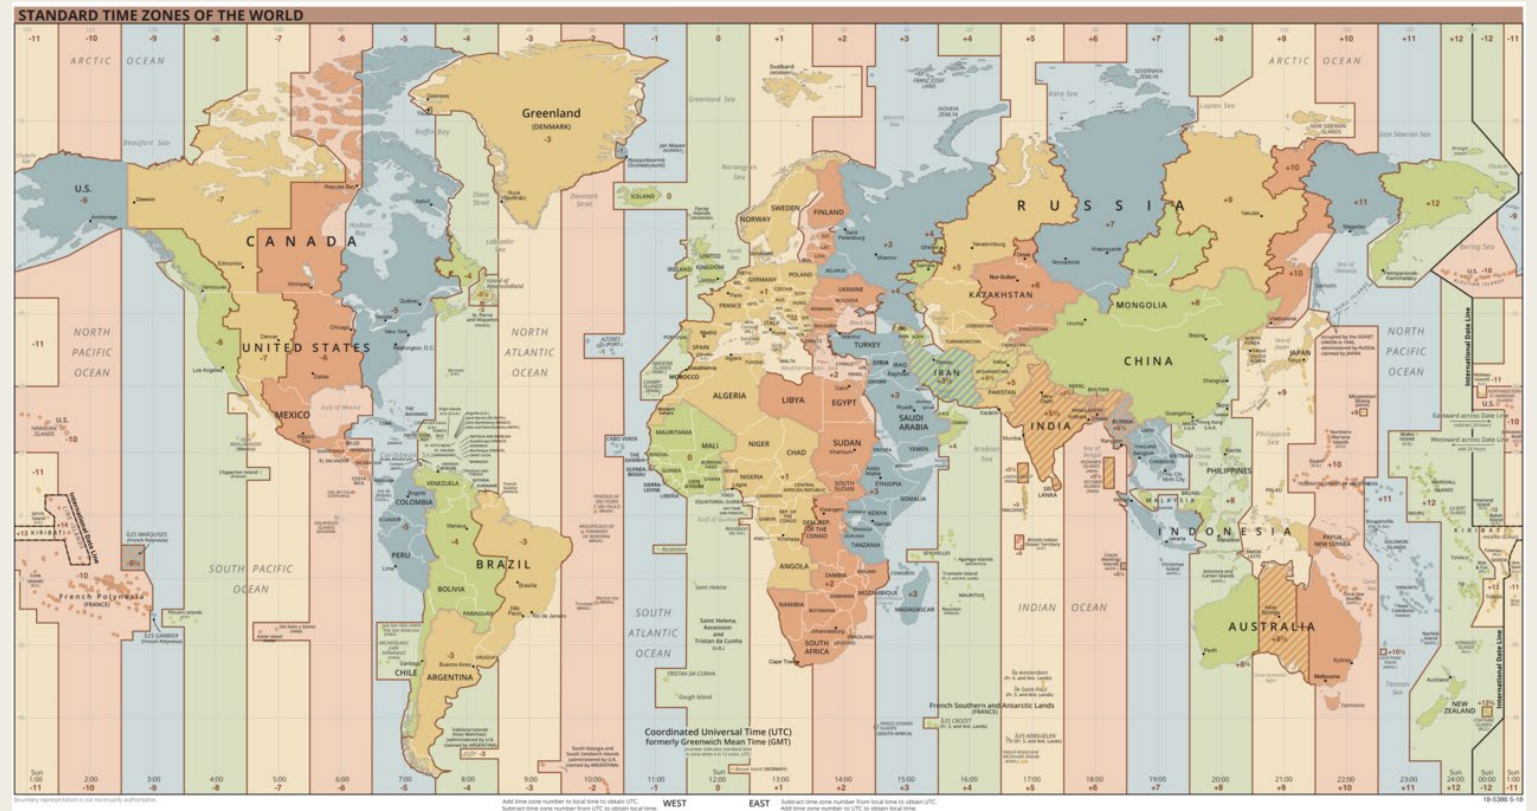

## 4. Framework for endorsement requests

- Process managed through the Education Committee
- Case-by-case decision based upon:
  - objectives of the meeting and compliance with TARPSWG aims and values;
  - relevance of the the topics (RPS should be a relevant topic of the meeting) and appropriateness of the topics for designated audience;
  - speaker expertise (international leader in the field);
  - gender balance.
- TARPSWG to be acknowledged;
- Practically, endorsement will imply: TARPSWG logo on the event poster and sponsorship through social media and mailing list.
- Endorsement requests will be limited to scientific/education meetings (not projects/papers/policies/statements/guidelines).
