ENHANCED SECURITY MEASURES FOR RESAR PLATFORM ACCESS

New Access Policy for RESAR Platform

- On 27th February 2025 security upgrades have been activated on RESAR PLATFORM to enforce Platform and Data Protection
- Your center could not be able to access the homepage if your subnetwork has not been enabled

What is needed on your side:

1. **Check your IP Address** – Identify the public IP used within your hospital's network.
2. **Send the IP Address to jasmine.tadiotto@bbsitalia.com**
3. **Immediate Reauthorization** – Once submitted, access to RESAR will be reinstated without delay.
