UPCOMING RESAR PLATFORM WEBINAR

TOPICS PROPOSED FOR THE AGENDA

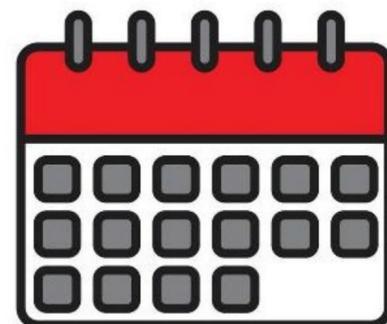

- 1 – Introducing the RESAR Platform Webinars Working Group
- 2 - New site onboarding: accurate enrollment & eligibility compliance
- 2 - Strategy for timely prospective data collection
- 3 – *Additional Topics (TBD)*

Propose topics for our next session, by sending an email to

daniela.salvatore@resarplatform.com

SAVE THE DATE!!
RESAR PLATFORM WEBINAR – SECOND EDITION
MARCH 26, 2026, 02:30-03:30 PM (CET TIME)

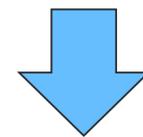

Scan the QRcode for
registering to the Webinar

WHO IS WELCOME TO JOIN THE WEBINAR AND THE WORKING GROUP?

- Local Principal Investigators (PIs)
- Clinical Research Coordinators (CRCs)
- Research Nurses (RNs)
- Anyone involved in managing local data and RESAR data entry

The platform has undergone significant improvements and optimizations, many of which were implemented directly in response to feedback and suggestions shared during previous webinar

Your input truly makes a difference – the Working Group is an opportunity to actively shape the evolution of the platform
